MEMORANDUM FOR: Director of Security

25X1A

ATTENTION: 

SUBJECT: Secret Service Agreement Concerning
Presidential Protection

This is in response to your memo of 4 September 1968 concerning a slight revision in our draft of a new agreement between the CIA and the Secret Service concerning Presidential protection. We find changing the word "support" to "security" in the second sentence of paragraph IV-B is completely acceptable. We have retyped the appropriate page with this change and forward it to you so you may include it in place of the former page. If there are no further suggested changes, it would appear that our next move is for Security Liaison to approach the Secret Service on final acceptance of our new draft.
